FOR IMMEDIATE RELEASE:

Kindles Available for Check Out

(BROOKSVILLE, FLORIDA) – Leading the way into new technologies, the Hernando County Public Library will now offer Kindle e-readers for customers to check out. Starting on October 1st, the Kindles will be available to anyone with a Hernando County Public Library card.

Available at every branch, the Kindles are preloaded with more than 30 titles of classics and bestsellers for adult readers. The 24 devices will each check out for 14 days at a time, with no renewals allowed.

Library staff members are all trained on the Kindle devices, and happy to provide training as requested.

Amazon's Kindle is a dedicated e-book reader that uses e-ink technology, resulting in a realistic book-like appearance.
